

Youth Advocacy Project Proposal

A. General Information

Name of Organization:

Mailing Address, City, State, and Zip:

Phone:

Contact:

Contact Email:

Website:

Organization or Fiscal Sponsor Tax ID #:

Number of Employees: Full-Time ____ Part-Time ____

Amount of Annual Funding Requested:

Describe your organization in 20 words or less:

B. Mission and Goals

1. Provide a general description of the needs and challenges faced by youth and families served through your organization.
2. Give a brief description of what your organization is striving to accomplish.
3. List your long-term goals and any intermediate objectives on the way to achieve those goals.

C. Impact and Measurement

1. How will you know the lives of youth are meaningfully improved? What measurement tool(s) will you use?
2. Provide a couple specific stories of your clients' success that demonstrate your organization's impact.
3. What makes your organization different or stand out from other similar organizations?

D. Organizational Capacity

1. How will YAP funding support your organization to build better lives for youth and families?
2. List the top three personnel who are most important to your success. Please include names and titles, along with a very brief description of their qualifications.
3. In what ways do you secure the financial resources to ensure the viability of your organization?
4. What additional resources could you use that would be beneficial for your organization to achieve its mission?

E. Strategy and Sustainability

1. What are the challenges and opportunities facing the organization in the next few years?
2. Describe your most impactful collaborations both locally and beyond.
3. In what ways is your Board of Directors advancing the mission of the organization and securing its long-term sustainability?

ATTACHMENTS Please attach the documents requested below.

1. Current year's budget of the organization. If extremely large, please provide a link.
2. A copy of your most recent financial audit OR year-end balance sheet and income statement.
3. Include any survey questions and key evaluation results demonstrating impact.

By signing below, I certify that the information contained in this YAP Proposal is true and correct to the best of my knowledge.
